

# Burrtec, like many other companies, is experiencing COVID-19 staffing impacts and appreciates your understanding and assistance with the following.

- Set out barrels only when they are full or near full; avoid setting out barrels that are partially full.
- Service times may change so please leave your barrels out for service until the next day.
- Bulky pickup requests will be temporarily suspended until after 2/1/21.
- Barrel exchanges for dirty and broken but usable barrels will be temporarily suspended until after 2/1/21.

Thank you for your patience and understanding. If you have any questions, please contact your local Burrtec Customer Service Department.

Burrtec Waste Industries, Inc.
