Billing Period: The billing is based on periodic meter readings normally between 27 and 33 days apart. Bills are mailed out on the 10th and 20th of the month, depending on your billing cycle. Current charges are due when mailed and become past due if not paid on or before the due date. The District is not responsible for non-receipt or non-delivery of your bill. Payment checks later returned by the bank unpaid, are also considered as non-payment and are subject to further charges. Accounts with one or more returned checks may be required to make future payments in cash, money order or cashiers check only.

Payments: Paying your bill as soon as you receive it will prevent late fees. Pay at our website, www.rcsd.org. Send your payment along with the bottom portion of this bill in the enclosed envelope or drop the payment in the night drop slot at the District office.

Returned Checks: The District charges an additional \$25.00 fee if your check is returned by the bank unpaid. Restitution must then be made by cash.

Late Charges and Disconnection Charges: A late fee of 7% will be assessed if your payment is not received in our office by the due date. If service is physically disconnected, there will be a \$20.00 reconnection fee.
