

ORDINANCE NO. 2026-145

**AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE RUBIDOUX
COMMUNITY SERVICES DISTRICT AMENDING AND SETTING CERTAIN USER
CHARGES FOR THE DELIVERY OF POTABLE WATER TO RESIDENTIAL,
COMMERCIAL, AND INDUSTRIAL CUSTOMERS**

WHEREAS, the Rubidoux Community Services District (District) is empowered to provide a reliable potable source of water for the health, welfare and safety of the community and its residents; and,

WHEREAS, new and on-going treatment requirements, energy costs, treatment media, water quality monitoring, infrastructure maintenance and replacement, disinfection requirements, exterior and interior reservoir coatings, and personnel costs have increased and consequently add to the production, treatment, and delivery costs of providing potable water to District residents and customers; and,

WHEREAS, recently enacted State Water Resources Control Board water quality requirements will result in significant additional capital improvement, infrastructure, and treatment operating costs by the District, including additional operating costs associated with new PFAS treatment improvements; and,

WHEREAS, in May 2019 the Board of Directors adopted a 5-year rate plan allowing for adjustments to the District's monthly potable water rates beginning July 1, 2019, with allowable increases every July 1 through 2023; and,

WHEREAS, in 2022 the Rubidoux Community Services District conducted a Comprehensive Cost of Services Study (COSS) to determine if the District's 2019 rate plan was sufficient to meet current and future operational costs, system improvements, and to adequately fund reserves target levels; and,

WHEREAS, Government Code Section 61000 et seq., a community services district must charge for the actual cost of providing certain services or improvements,

including among other things potable water, pumping facilities, reservoir structures, pipeline conveyance, energy charges, personnel costs, treatment facilities, debt and other operational and maintenance costs associated with but not limited to the extraction, storage, delivery, transmission, and treatment of potable water; and,

WHEREAS, to ensure the District has a safe and significant ground water source of potable water for present and future customers and residents, the Board of Directors determined the District's 2019 rate plan was not adequate to meet the District's future financial obligations and approved a new 5-year cost-of-service rate plan; and,

WHEREAS, pursuant to Proposition No. 218, the Rubidoux Community Services District Board of Directors at their October 20, 2022, regular meeting authorized a special mailing of a "Notice of Hearing and Right to Protest" sent to all affected property owners and tenants providing an opportunity to protest against adjustments to the District's monthly potable water charges; and,

WHEREAS, at their December 15, 2022, regular meeting the Rubidoux Community Services District Board of Directors noticed, called, and conducted a Public Hearing for said charges pursuant to Proposition No. 218; and,

WHEREAS, subsequent to the Public Hearing, a majority protest did not exist, which requires 50% plus 1 of affected parcels for the rates to not be considered by the Board and "not take effect"; and,

WHEREAS, on December 15, 2022, the Board considered and adopted the new 5-year rate plan commencing July 1, 2023, with allowable increases every July 1 through 2027; and,

WHEREAS, during preparation of the District's Fiscal Year 2026|2027 water operating and capital fund budgets, the Board determined rates must be adjusted to the fully noticed year four (4) rates of the 5-year rate plan; and,

WHEREAS, the Board of Directors directed staff to prepare Ordinance No. 2026-145 and set a Public Hearing for May 7, 2026, on such proposed potable water charges.

NOW THEREFORE BE IT ORDAINED AS FOLLOWS:

1. That the Foregoing recitals are true and correct.
2. The Notice of Public Hearing and Protest Vote were compliant to the Requirements of Proposition No. 218.
