

Water Conservation Notice

In response to the State of California's mandated water conservation emergency regulation, the Rubidoux Community Services District adopted Resolution 2015-820 implementing a modified Stage 2 water restrictions. Effective immediately, RCSD customers are asked to reduce their water use.

The following restrictions are now in effect:

1. No outdoor watering between 10:00 AM - 6:00 PM;
2. Don't water more than 20 minutes per station;
3. Outdoor watering limited to 2 days per week;
4. No watering during or within 48-hours of measurable precipitation;
5. No watering of outdoor landscapes that cause runoff;
6. No using hoses without shut-off nozzles;
7. No using water in a fountain or water feature, unless the water is recirculated; and
8. No washing of driveways and/or sidewalks.

Thanks for helping. If you have any comments or questions, please call the District office at (951) 684-7580
