Owner will not accept bid proposals submitted on forms other than those contained within said Bid Proposal Packet included in the Contract Documents. Any addenda or bulletins issued prior to the bid shall be incorporated into the bid proposal and shall be evidenced by Bidder's inclusion of the signed acknowledgement of receipt for each addendum or bulletin with Bidder's submitted bid proposal.

Bidder shall complete the attached bid proposal and supporting documents including any addenda or bulletins issued before receipt of bids and public opening of same together with Statement of Experience (not required for materials only proposal), Bid Schedule, Certified Data, Certified Worker Craft and Classification, Certification of Bidder's Work Site Inspection, Statement on Bonds and Insurance, Certification of Bidding Documents, Non-Collusion Declaration, Public Works Contractor Registration Certification, Iran Contracting Act Certification, Executive Order N-6-22 Certification, and Bid Proposal Guarantee.

Pursuant to Labor Code sections 1725.5 and 1771.1, no bid will be accepted nor any contract entered into without proof of Bidder's and subbidders' current registration with the Department of Industrial Relations. Bidder shall sign and submit with its bid the Public Works Contractor Registration Certification on the form provided, attesting to the facts contained therein. Failure to submit this form may render the bid non-responsive. Bidder shall complete each blank on each page. Each entry within the Bid Schedule(s) shall be printed by hand in blue or black ink, and each entry on remaining forms shall be completed by hand or typewritten; forms shall be signed in accordance with Item A.4 herein. The completed forms shall be without alterations, erasures, or interlineations. Bidder shall correct errors by striking or lining out mistakes and entering and initialing corrections immediately thereabove. Unless otherwise provided in the Supplemental Instructions to Bidders, Owner will not consider any bid proposal which does not include bids on all bid items set forth in the Bid Schedule(s). Owner will not consider alternative proposals unless they are called for by these instructions or the supplemental instructions appearing in the Bidding Documents themselves.

Owner may, at its sole discretion, reject any bid to which the Bidder has added conditions, limitations, provisions, or any alterations or interlineations. Owner may also, at its discretion, reject any bid for which the Bidder has failed to supply all requested information or has misrepresented any such information or any matter whatever. Pursuant to Business and Professions Code Section 7028.15, Owner will consider non-responsive and reject any bid submitted by a Contractor not licensed as required by law.

3. Omissions and Discrepancies

Should a Bidder find purported discrepancies in, or omissions from the Special Requirements, Basic Specifications, Construction and Standard Drawings, or other documents bound herein, or should Bidder be in doubt as to their meaning, Bidder shall **immediately** notify Owner in writing. Owner may then send written instructions or notification to all Bidders.

4. Signature and Seal

If the bid proposal is made by an individual, it shall be signed and his full name and his address shall be given; if it is made by a partnership, it shall be signed with the partnership name by one of the partners, who shall sign his own name and, in addition, the name and address of each partner shall be given; if it is made by a corporation, the name of the corporation shall be signed by its duly authorized officer, or officers, attested by the corporation seal, and the names and titles of all current officers of the corporation shall be given.

5. Bid Proposal Guarantee

Each bid proposal shall be accompanied by cash, a certified or cashier's check, or bid bond issued by a surety or sureties admitted in and regulated by the State of California and further, if the Work or project is financed in whole or in part with federal grant or loan funds, listed in the Treasury Department's most current Circular 570 (bid bond shall be submitted on the form attached herein or on an equivalent form approved by Owner), or equivalent substitution in lieu of a bond as authorized by Civil Procedure Code Section 995.710, for an amount not less than 10% of the maximum amount bid.

Said check, bond, or substitute shall be made payable to the Owner and shall be given as a guarantee that the Bidder will enter into the Contract described in the Notice Inviting Bids herein if awarded the Work. By submitting a bid proposal, each Bidder agrees that its failure to enter the Contract if awarded the Work would result in damage to the Owner and that it would be impracticable or extremely difficult to ascertain the actual amount of that damage. For this reason, each Bidder agrees that the Owner may retain the bid proposal guarantee as liquidated damages if the Bidder is awarded the Work but fails to or refuses to timely enter the Contract.

6. Packaging and Delivery of Bid Proposal and Guarantee

Once the bid proposal and supporting documents herein have been completed and signed as set forth above, they shall be placed, along with the bid proposal guarantee and any proposed sketches and brochures required by these instructions, in an envelope, sealed and addressed, and delivered or mailed, postage prepaid, to:

No consideration shall be given by the Owner to bid proposals received after the date and time set by the Notice Inviting Bids herein for the opening of bids.

7. Withdrawal of Bid Proposal

Any Bidder may, without prejudice, withdraw his bid proposal at any time prior to the date and time set by the Notice Inviting Bids herein for the opening of bids; provided that any request to withdraw is made in writing and duly executed by the Bidder or the Bidder's duly authorized representative and delivered to the Owner at the address set forth in Instruction 6 herein. A bid proposal shall be deemed withdrawn once it has been delivered by the Owner to the Bidder requesting withdrawal, either by personal delivery or deposit in the United States mail, addressed to the address originally given by the Bidder. After withdrawal, the Owner will not recognize modifications of bid proposals attempted by methods other than as set forth in Instruction 8 herein.

8. Modification of Bid Proposal

Any Bidder who may wish to modify the bid proposal previously submitted by him may do so only by (a) following the withdrawal procedure set forth in Instruction 7 hereof prior to the date and time set by the Notice Inviting Bids herein for the opening of bids, and (b) submitting a substituted bid proposal which conforms to the requirements set forth in Instruction 1, 2, 4, 5, and 6 hereof. 9. Opening and Awarding of Bids

All bid proposals shall be publicly opened and read at the time and place set forth in the Notice Inviting Bids herein. Bidders and their authorized representatives are invited to be present. The award, if made, will be made within 60 days of the opening. The Owner's policy is to award to the lowest responsible Bidder submitting a responsive bid who can comply with the projected delivery and/or completion schedules. However, the Owner reserves the right to reject any and all bids, to waive any irregularity, or to award the subject Contract to other than the lowest Bidder. Owner may, at its sole discretion, disregard any added conditions, limitations, provisions, or any interlineations or alterations. Notice of Award shall be made to a successful Bidder in writing and mailed to the address as set forth on the signature page of the Bidding Documents.

In the event there are unit price bid items in a bidding schedule and the "amount" indicated for a unit price bid item does not equal the product of the unit price and quantity, the unit price shall govern and the amount will be corrected accordingly. However, if the amount set forth as a unit price is ambiguous, illegible or uncertain for any cause, or is omitted, or is the same amount as the entry in the item cost column, then the amount set forth in the item cost column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price. In the event there is more than one bid item in a bidding schedule and the total indicated for the schedule does not agree with the sum of the prices bid on the individual items, the prices bid on the individual items shall govern and the total for the schedule will be corrected accordingly. Where applicable, in case of discrepancy between the written price and the numerical price, the written price shall prevail.

10. Return of Proposal Guarantees

Bid proposal guarantees will be returned to unsuccessful bidders within 60 days from the date that the Contract is awarded to the successful bidder.

11. Bond(s) and Certificates Required of Successful Bidder

The successful Bidder shall, upon receipt of notice of acceptance of his bid, promptly secure with a responsible corporate surety or sureties admitted in and regulated by the State of California and, if the Work or project is financed in whole or in part with federal grant or loan funds, listed in the Treasury Department's most current Circular 570, a contract performance bond in an amount of not

less than 100% of the total bid price, conditioned upon faithful performance by said Bidder of all requirements under the Contract.

In addition, the successful Bidder shall promptly secure with a responsible corporate surety or sureties admitted in and regulated by the State of California and, if the Work or project is financed in whole or in part with federal grant or loan funds, listed in the Treasury Department's most current Circular 570, a payment bond (not required for materials only proposal) in an amount of not less than 100% of the total bid price, conditioned upon payment in full of the claims of all persons performing labor upon or furnishing materials to be used in or furnishing appliances or power contributing to the Work to be performed under the Contract.

Owner may request the successful Bidder submit a certified copy of the certificate of authority of the surety insurer issued by the California Insurance Commissioner and to submit copies of the surety insurer's most recent quarterly and annual statements filed with the Department of Insurance pursuant to California Insurance Code, Section 900, et seq.

The successful Bidder shall also furnish Certificates of Insurance as evidence of coverage in accordance with the Contract Appendix.

All bonds shall be subject to the approval of the Owner, and shall be submitted on the forms provided in the Contract section of the Contract Documents. All Certificates of Insurance shall be subject to the approval of the Owner and shall be submitted on the forms provided in the Contract section of the Contract Documents.

12. Execution of the Contract

The Bidder to whom award is made shall execute a written contract with the Owner on the form of Contract provided herein (which shall incorporate by reference the Proposal, addenda or bulletins issued before receipt of bids and public opening of same, Bidder's Statement of Experience (not required for materials only proposal), Bidding Sheet, Certified Data Sheet, Special Requirements, Basic Specifications, and Construction and Standard Drawings), together with the Labor Code Certification (not required for materials only proposal) therein, and furnish good and approved bond(s) and Certificates of Insurance as required in the preceding paragraph within 10 days from the date of mailing the Notice from the Owner to the Bidder, as set forth above, of the acceptance of his proposal.

No bid proposal shall be considered binding upon the Owner until the Contract has been executed. Failure or refusal by the successful Bidder to so enter into a Contract, as herein provided, or to conform to any of the stipulated requirements in connection therewith, shall be just cause for the annulment of the award and the retention by the Owner of the bid proposal guarantee. If the successful Bidder refuses or fails to execute the Contract, the Owner may award the Contract to the Bidder whose bid proposal is next most acceptable to said Owner; and such Bidder shall fulfill every stipulation embraced herein as if he were the party to whom the first award was made.

A corporation to which an award is made will be required, before the Contract is finally executed, to furnish evidence of its corporate existence and of the authority of the officer signing the Contract and bond for the corporation to so sign.

13. Withheld Contract Funds

Bidder is advised that Contractor, at his request and expense and in accordance with Section 22300 of the California Public Contract Code, will be permitted to substitute securities equivalent to monies withheld by Owner to insure performance under the Contract. Alternatively, the Contractor may request to have earned retentions paid directly to the escrow agent in accordance with Public Contract Code Section 22300. Refer to Section 30 of the Contract Appendix and the Escrow Agreement for Security Deposits in Lieu of Payment Retention included within the Contract section of the Contract Documents.
